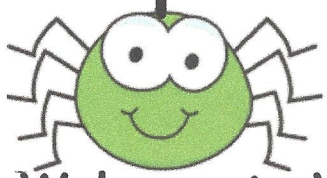
Wendell's Worksheet - God helps Elijah.



Welcome to Web Worship!

Hi kids! Wendell here! Our story today is about a prophet named Elijah. He was hiding from a bad King. Alone in the dessert, he came to a brook. There he had water. God had birds bring him food. God took care of Elijah when he was alone.

Story Discussion - Elijah was alone and God cared for him. There are people who are alone in their houses. What can we do for our shut in people? How can we be sure these people have help. Let your children know when we help we are Gods "hands and feet".

Art Page - Adding feathers, water coloring the brook, using glue and sand as glitter cotton for clouds could dress up this picture.

Fun Family Ideas - Call people you know who are elderly. Ask if you can bring groceries or other needs. Donate to the local food bank. Act out the story, someone be Elijah, kids be the birds.

God sends ravens with food for Elijah.

1 Kings 17:1-6

Ahab was the new king of Israel. Ahab didn't worship God. Ahab built places to worship idols instead of God. Many of the people in Israel stopped worshiping God because of the evil things that Ahab did. God was angry with Ahab.

Elijah didn't worship idols. Elijah obeyed God. Elijah went to see King Ahab. "There won't be any rain for a long time," Elijah said. "There won't be any rain to make the food in the fields grow. There won't be any rain to make the grass green. There won't be any rain to give the people water to drink." Ahab was very angry.

So God told Elijah to hide from the king. Elijah left the city. He walked and walked. Elijah came to a brook. Elijah drank some water from the brook. God told Elijah to stay by the brook. God told Elijah that birds called ravens were going to bring food to him. Every morning and every evening the ravens came with bread and meat for Elijah to eat.

Wendell's Worksheet- Jesus talks about Birds and Flowers

Welcome to Web Worship!

Hi kids! Wendell here! Our story today is about Jesus on a nice day. He told us about birds and flowers; how God takes care of his creation. Then Jesus tells us we're more important to God; so much so that He died on the cross. We need not worry.

Story Discussion - Have your child name things that God's made in nature. Talk about how God made them, and cares for them. He also made us and listens to us when we need help. Let your kids vent their worries. Assure them God hears, and is listening.

Art Page - Glue on fake flowers (hot glue is fast, be careful). Color birds in the air, and draw more. Add a stick for the staff.

Fun Family Ideas - Take a family walk. Note signs of spring, buds, grass etc. Count birds and other animals you may see.

Jesus talks about the birds and the flowers.

Matthew 6:25-34

Jesus was talking to people on a hillside. There were old people and young people, parents and children and grandparents. Jesus told the people not to worry. He said they didn't need to worry about having enough to eat or drink. They didn't need to worry about what clothes they should wear.

Jesus pointed to the sky. Birds were flying. Jesus said, "Look at the birds! They don't plant seeds to grow crops. They don't gather up food like farmers. But God makes sure they have enough food to eat. God loves them and takes care of them. Don't you think you are more important to God than the birds? Of course you are! So don't worry. Ask God for help. He will take care of you."

The people looked up at the birds and thought about what Jesus said. They were thankful God would care for them.

Then Jesus pointed at some flowers. He talked about how beautiful they were. He told the people that flowers don't make their own clothes, but their clothes were more beautiful than anything a king would wear. "If God takes care of the flowers that well," Jesus asked, "don't you think He would certainly take care of you, too?"

"Instead of worrying about food or clothes," Jesus said, "ask God what He wants you to do. When you obey God and do what is right, God will give you what you need. Don't worry about tomorrow. God will take care of you today and tomorrow!"

All the people were glad to hear that God loved them. They were glad to know they could ask God for help and He would take care of them.

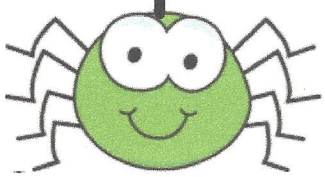
Wise and Foolish House Builders



Welcome to Web Worship!

Hi kids! Wendell here! Our story today is a story Jesus told. It is a parable about a wise person and a foolish person. They built their houses in two different places. One was a good place, one was a bad place to build a house.

Story Discussion - Jesus told us that the meaning for this story was that a person is wise if they listen and do what Jesus says. Talk about being wise today. What do adults and kids need to do that is wise in our current situation?

Art Page - One could print the bricks on the house with a stamp pad and the end of an eraser. Have children trace the rain lines with a colored pencil. Cotton for storm clouds can be applied.

Fun Family Ideas - Put sand in a tote. Place a rock in the sand. Pour in water and discuss what would happen to houses on each.

Jesus teaches about the wise and foolish men.

Matthew 7:24-29

One day Jesus told a story about building a house. He said, "A wise man built his house on a strong rock. Then the rain came, the river rose, and the winds blew! But the house did not fall down. It was built on strong rock. This wise man is like a person who listens to Me and obeys My words."

"But," said Jesus, "a foolish man built his house on the sand. When the rain and winds came, the house on the sand fell down. It wasn't built on something strong. A person who hears My words but won't follow them is like this foolish man."

Jesus told this story about the wise and foolish men to help people learn how important it is to obey Jesus' words. Jesus' words are true and help people know the best way to live.
