## Wendell's Worksheet - God Talks To Moses

**Welcome to Web Worship!**

Hi Kids! Wendell here! Our story for today is when Moses meets God at the burning bush. There God asks Moses to help free the Israelites from slavery, and Moses does this.

**Story Discussion** - Moses agreed to help the people. Name people who are helpers today. How can you be a helper? God said He is the one who is with us. Where do you see God helping today?

**Art Page** - Consider some fun add-ons to the picture. Cotton on the sheep, a stick for the staff, torn tissue on the bush might be some creative ideas. Don't forget to take a 3 ring notebook and add the pages each time..

**Fun Family Ideas** - Paint a fingernail or a dot on a fingernail, each time your child is helpful for the next few days. Send thank you notes to helpers to show your gratitude.
