

# God talks to Moses.

Exodus 3:1-4:17

When Moses grew up he lived in the desert. He took care of some sheep. One day he saw something strange. A bush was on fire but it did not burn up!

God spoke to Moses from the bush. God told him to help the people of Israel. They were slaves and God wanted them to be free. He wanted Moses to lead His people to safety.

Moses asked God who he should say spoke to him? God answered, that He is the one who has always been with them, and that He is with them now.

Moses was afraid, but he did what God wanted. He led the people of Israel, and with the help of his brother Aaron and others, they were set free.
