

Weekday Web Worship Wendell's Parent Guide

Welcome to Web Worship!

During this time of "Social distancing" our goal is to give you faith based tools to use with your kids, or grandkids.

Three days a week you will find Three pages to help you There is (1) an instruction guide with story questions, art helps and activities to expand the lesson taught. A story page (2) to read , and (3) a coloring page for your children to use crayons, colored pencils etc. and to add their own artistic touches.

Feel free to copy these for your own use.

*Try finding a 3 ring notebook, (contact the church if you need one) and keep these pages together for you and your child to review lessons learned while we are apart from each other. Occasionally there will be an extra page or activity you can do with your child. Contact me if you need some items.

Call Alice 402-844-3193 if you have any questions or comments.

God Bless you and yours at this time.
