WHAT'S HAPPENING

March Madness

March is here and many people will suffer from "March Madness". You may ask what is March Madness? Well, it is all about college basketball and the championship playoffs. Some people live for this March Madness. It can be fun and entertaining but as Christians we should have "Easter Madness". Let Easter and the message of the gospel and the resurrection be our focus. It is this message that gives life to the believer. In Romans 1:17 it says faith is the power unto salvation. Yes, faith in the gospel. The gospel being believing that Jesus died for our sins on the cross and rose from the grave on the third day in order that those who believe might have life abundant. My word for you this month is to have Easter Madness not just March Madness.
